

Dear Pastor Ray and Friends at North Florida Baptist Church,

We would like to say how VERY much we appreciate your continued support, prayer for, and interest in us.

It has been extremely busy this year with choir rehearsals, presentations of our cantata, and the ending of the Bible college year with one young man graduating with his Bachelor of Theology degree. Do pray for him and his family as they will be going as missionaries to begin a work in a very needy area approximately 175 km from Salvador.

We send MUCH love and wishes that God abundantly bless each of you during 2010,

John and Yvonne Baab
