Oscar's Baptism

Dear Friends,

🌳 One of the privileges of being a pastor is baptizing new believers. Oscar and his wife Maria were reached in our Christmas outreach. We are having Bible Studies in their home. Oscar has been transformed by his faith in Christ.

🌳 We are happy to report that Bucky is coming home today from the hospital after his kidney transplant. Pray for his health!

🌳 Ben began a new IT job with Convio, that produce software for non profits. He's happy.

🌳 I celebrated my birthday on Monday. I was overwhelmed by the response through Facebook! God is good.

🌳 This Sunday is Mother's Day here and we have an outreach. Pray.

🌳 Pray for us as we travel to Nicaragua the 25-29 for an ABWE meeting.

Thank you one and all for your prayer support. God is always faithful. We remain,

In His Bonds,
