Dear Brother Ray:

It was a first! One of our men invited a Muslim friend and colleague to visit our church. Luke called me on Saturday evening and told me that Halim would be coming and that he wanted to talk with me. True to his word, Halim was in the service and afterwards, I had the privilege of sitting with him for about an hour – answering questions and then sharing with him the simple message of the Gospel. Of course, because of the spiritual blindfold that his religion has placed on his heart and mind, there were many things that he simply would not accept. However, the seed WAS planted and I am asking that you would please join with me in praying that this man might soon come to see the truth and be saved!

Also, a quick update on Joshua Tok. I wrote last month and asked you to pray for this ex-con who was being tempted to return to his old ways because of financial pressures. Thank you so much for your prayers! Brother Joshua called me the other day and told me that he had determined that he would follow Jesus no matter what.

Thank you so very much for your investment of \$100.00 in our ministry during the month of March. It is because of your faithfulness that we are able to stay in this needy place and proclaim the unsearchable riches of Christ!

We shall remain ...

Yours for lost souls,

Ray & Ginger
