ABWE missionaries to Nicaragua

Dear Praying Friends,

Greetings from Florida! We are settling in and enjoying catching up with family and friends.

We are so thankful for the opportunity we had to attend the Missionary Enrichment Conference at ABWE. We appreciate all the people who worked so hard to put the conference together. We especially enjoyed the family picnic with tons of really fun activities for the kids and lots of good food for everyone. **We were encouraged** by the speakers we heard and the kids loved the program that was designed just for them. We also enjoyed some family vacation time in Washington, DC and in Raleigh, NC visiting with Laura's sister and her family.

We are thankful as well for the provision of the mission house where we have been able to stay each time we've been back. Peter and Emma really enjoy coming back to "their own rooms" and Emma is especially happy to be able to visit our neighbor and her little dog! We are also **grateful for the provision of a vehicle**.

Please pray as we begin visiting churches to share what God is doing in Nicaragua. Please **pray for safety** as we travel as well. We also began homeschooling this week. **Pray for diligence** for Peter and Emma. Also, please keep our **teammates in Nicaragua** in your prayers as they juggle Bruce's responsibilities along with their own.

We've saved big news for the end this time. **Please pray especially as we are now beginning to raise funds for a gymnasium for the ABWE Ministry Center!!!** We look forward to finally having a large covered area for basketball and other activities plus room for larger conferences and events. We will have to raise \$200,000 to build and totally equip this much needed addition.

We look forward to seeing many of you very soon!
