### Thank You

We appreciate you, your prayers and financial support that allows us to be here in Durban.

## HBC WAS A SUCCESS!

A lot has been happening since our last prayer letter. Our Holiday Bible Club (VBS) was a great success. We registered 224 children from age 5 to grade 7. We averaged 139 for the week. We are not sure exactly how many were saved, but there were lots of kids asking questions about salvation. They heard the gospel very plainly throughout the week. Now we are doing a follow up of all the children that came to Holiday Bible Club.

Jr. Youth camp was successful as well. John Page was the speaker. He is an American missionary with Word of Life South Africa in Johannesburg. There were about 11 kids that came to know Christ as their Savior. What a blessing! God is so good.

The church is going well. We were not able to get the hall that we usually meet in on Sunday, July 4. However, that is the first time since we have returned that we haven't been able to get the hall. Please help us pray for land or a building.

Wednesday evening Bible Study is going well. We are averaging 15-17 people each week. Bongani is starting a new study from the book of Hebrews.

The youth group that meets on Friday evenings from 5:30-7:30pm continues to be well attended. The teens are growing spiritually and were a tremendous help during HBC. They took on a lot of the responsibility.

The church is in the process of registering to become a

NPO (Non-Profit Organization).

Personally, we are both doing well and very excited about what God is doing at Ekukhanyeni Baptist Church. Our theme this year for the church is "Expect Great Things From

Holiday Bible Club

God". God is already doing great things at EBC.

We are looking forward to North Florida Baptist Church coming for a visit in September. This will be the first time one of our supporting churches has visited us in South Africa.
