Expressions from the Heart

I am still reflecting on the overwhelming blessing Pat and I received at the banquet on Monday night. I am so grateful that the Lord gave me the awesome opportunity to serve Him with so many wonderful friends.

All praise and glory belongs to Him. He alone is worthy of that praise. We are simply His servants, answering His call, and doing His work.

I want to thank everyone who has chosen to walk with me in the journey. To everyone who has offered prayers and financial support, you deserve the praise directed toward me. Without you, SCORE would only be a vision in my heart.

Finally, thank you Ruth Kempton for sending those beautiful flowers. You are so thoughtful. Those were the only flowers Pat and I received. God knit your heart with the heart of my mentor and your husband. As I prepare to leave for our baseball clinics on Monday, I am carrying the notes of Wendell's last message. I know Wendell would have been there on Monday night! I miss him and want to make him proud.

'til the nets are full,
