

THE TODDS

SERVING IN ARGENTINA

Dear Pastor and Church,

December 2009

!Feliz Navidad y Año Nuevo! It is our desire that each of you have a blessed and safe Christmas and a very happy New Year.

We are in the midst of preparing our Christmas program and getting the camp all ready for the summer season (January and February). We ask that you pray for God's leadership in all five camps. We were humbly pleased that in November we saw 25 people saved in services where a member of our family preached or taught. I say that rejoicing, not bragging. We are grateful that God is able to use us.

Also, in November, our eleventh grandchild was born. On Nov. 19th Savannah Gale Todd was born to our son Brian and his wife Jennifer in Weston, Fla. Weighing 7 lbs. 3 oz. and measuring 18".

The new pastor of the San Antonio de Padua church will be assuming his position around the middle of December. This frees us to leave for furlough after the camp season is over. We are looking forward to visiting as many churches as will have us. We are thankful for the many churches that have been faithful in prayer and financial support for the last 45 years. If you wish to have us in your church please contact us as soon as possible at our e-mail address: rfltodd@yahoo.com.

Because of our full schedule in the next 3 months we will be limited in our correspondence since we do not have access to internet at our camp. We will be checking the mail on weekends when we are home for church services.

Continuing to serve Him,

Richard and Lynda Todd
