

# RenWeb Lunch Program

Using the RenWeb lunch program provides you with an easy way to take care of the chore of lunch money each day - just set up your child's account and then you do not need to worry about sending cash every day. As you use the RenWeb lunch program, you will be able to go on-line to view the balance in your child's account, see what your child is eating each day, and add money to your child's account.

Setting up the account is easy just by following the steps below. If you need assistance, please call any of the school offices and they will be happy to help.
